### USER INFORMATION

To avail certain services on our Website <https://karnatakagamakakala.org/>, users are required to provide certain information for the payment process namely: - a) your name, b) email address, c) contact number, d) contact address, e) PIN code, f) credit card or debit card details etc. The Information as supplied by the users enables us to supply the orders/services to users. Such sensitive financial information would be handled by trusted 3<sup>rd</sup> party (Currently Paytm) and not by the website.

All required information is service dependent and we may use the above said user information to, maintain, protect, and improve its services (including advertising services) and for developing new services

Such information will not be considered as sensitive if it is freely available and accessible in the public domain or is furnished under the Right to Information Act, 2005 or any other law for the time being in force.

### COOKIES

Note: To improve the responsiveness of the sites for our users, we may use "cookies", or similar electronic tools to collect information to assign each visitor a unique, random number as a User Identification (User ID) to understand the user's individual interests using the Identified Computer. Unless you voluntarily identify yourself (through registration, for example), we will have no way of knowing who you are, even if we assign a cookie to your computer. The only personal information a cookie can contain is information you supply (an example of this is when you ask for enrolling in a course or purchase a book). A cookie cannot read data off your hard drive. 3<sup>rd</sup> party Advertising is not supported.

Our web servers automatically collect limited information about your computer's connection to the Internet, including your IP address, when you visit our site. Collection of IP address, etc. are needed for the functioning of the web server, i.e. to serve the content. Hence, some minimum bookkeeping is done for detecting suspicious activity. Your IP address is a number that lets computers attached to the Internet know where to send you data -- such as the web pages you view. Your IP address does not identify you personally. We use this information to deliver our web pages to you upon request, to tailor our site to the interests of our users, to measure traffic within our site.

### **LINKS TO THE OTHER SITES**

Our policy discloses the privacy practices for our own web site only. We do not have any links to any other websites. However since there are links to Facebook, YouTube; such external sites linked from our website are governed by their own Privacy policies.

### **INFORMATION SHARING**

We share the sensitive personal information with third party without obtaining the prior consent of the user in the following limited circumstances:

**(a)** When it is requested or required by law or by any court or governmental agency or authority to disclose, for the purpose of verification of identity, or for the prevention, detection, investigation including cyber incidents, or for prosecution and punishment of offences. These disclosures are made in good faith and belief that such disclosure is reasonably necessary for enforcing these Terms; for complying with the applicable laws and regulations.

### **INFORMATION SECURITY**

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These include internal reviews of our data collection, storage and processing practices and security measures, including appropriate encryption and physical security measures to guard against unauthorized access to systems where we store personal data.

All information gathered on our Website is securely stored within our controlled database. The database is stored on servers secured behind a firewall; access to the servers is password-protected and is strictly limited. However, as effective as our security measures are, no security system is impenetrable. We cannot guarantee the security of our database, nor can we guarantee that information you supply will not be intercepted while being transmitted to us over the Internet. And, of course, any information you include in a posting to the discussion areas is available to anyone with Internet access.

However the internet is an ever evolving medium. We may change our Privacy Policy from time to time to incorporate necessary future changes. Of course, our use of any information we gather will always be consistent with the policy under which the information was collected, regardless of what the new policy may be.
